ANEVIA SUSTAINS PRESENCE IN STREAMING MEDIA EUROPE TOP 101

Streaming Media Europe continues to rank Anevia among the 101 companies that matter most in online video. We have sustained our presence in the list since it was first issued in 2011 affirming our position as one of the major sources of innovation in the video industry. The 2014 list, like its predecessors, was selected from more than 250 candidate companies by the journal's staff and regular contributors.
